Cookies

To extend the function of our website we use cookies. With the help of cookies data can be stored on your computer to make the offer more friendly for users, effective and secure, if you visit our website. Further information about cookies can be found at [Wikipedia.com](https://www.wikipedia.com).

Of course, you can also visit our website without cookies. We point out that you may not be able to use all features of this website, if cookies are deactivated.

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google") Google Analytics uses so-called "cookies", stored text files on your computer which enable us to analyze the use of the website (the IP address will be recorded anonymously to the latest standard). This information will be transmitted and stored by Google on a server in the US. Google will use this information to evaluate your use of the website for reports on website activity for website operators and to provide other services related to website activity and internet usage. Google may also transfer this information to third parties, as required by law or as far as third parties process this data on behalf of Google. Google will never link your IP Address with other data of Google Inc. You can prevent the installation of cookies by setting your browser software accordingly, however, we point out that in this case you may not be able to fully use all the functions of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above.

Use of Facebook plugins

The website uses plugins from the social network facebook.com operated by Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA ("Facebook").

If you visit a web page with such a plugin, a connection to the Facebook servers will be established and the plugin will be displayed on the website by a message to your browser. This will be transmitted to the Facebook server. If you are logged in as a member of Facebook, Facebook assigns this information to your personal Facebook user account. Using the plug-in functions (eg clicking on the "Like" button, submitting a comment), this information will also be assigned to your Facebook account, which you can only prevent by logging out before using the plug-in of the data by Facebook. About your rights in this regard and ways to protect your privacy, you can find in the privacy policy of Facebook at <https://www.facebook.com/about/privacy>.
